A Mother's Health, a Child's Future

We support programs all around the world providing valuable daily care for mothers and their children.

In 2021, the Red Cross Ball in Geneva will help the most vulnerable members of society by developing programmes specifically for women and children in Africa and Asia, focusing on prevention, support and mentoring.

À Genève, nous soutenons les personnes en grande précarité.

En raison de la pandémie du Covid-19 et de ses effets socio-économiques, le canton de Genève a connu une forte augmentation du nombre de personnes en situation de précarité. Dans ce contexte, les fonds récoltés durant cette édition du Bal permettront à la Croix-Rouge genevoise de poursuivre ses actions de soutien aux personnes vulnérables, d'offrir une aide d'urgence concrète aux plus démunis et de favoriser l'insertion professionnelle de femmes en difficulté. Les dons collectés permettront également d'accompagner le développement scolaire et l'intégration sociale d'enfants issus de l'immigration.
